(Pocket-lint) - Welcome to your go-to hub for the best Black Friday and Cyber Monday deals in the US - this site is now looking forward to Black Friday 2021, but you can still click on our direct dealer links below: Here we'll round up all the best tech-related deals that are worth your hard-earned money. Some are week-long sales and we are constantly updating this page with the latest stuff. Here you will find quick links directly to the distribution centers of the top retailers: Amazon's US | Best Buy | B&H | eBays | Costco | Dell | eBay | Google Store | HP | Lenovo | Lowe | Microsoft | Newegg | Office Depot | Sam's Club | Sonos | Staples | Target | Walmart Black Friday is the day after Thanksgiving, when retailers are heavily discounting thousands of items under construction through Christmas. Many retailers are now starting their Black Friday deals early, meaning the Black Friday period can last almost all of November. Remember, Black Friday is also followed by Cyber Monday. It's a pure online sales event on the Monday after, which essentially continues the bargains for an extra day. Retailers like to take advantage of the opportunity to sell more products in an increasingly competitive market. In 2021 black Friday officially lands on Friday 26 November 2021, while Cyber Monday is 29 November 2021, although offers have already begun to appear. On this page we round out the offers mby category - by games, laptops, fitness tracker, and so on. We also round off Apple offers, Lego offers and almost anything that legitimately makes a good ls. We'll update this special guide with highlighted deals about retailers and brands as they go live both on Black Friday and throughout Cyber Monday Weekend. • Ring Video Doorbell Pro is 80 usd discount - just 169.99 USD: Here's another video doorbell sale - this time on Amazon's own ring high-end model.
